

## Air Filter & Belt Supply

Our decades of experience at handling multi-site contracts mean that we can offer you a supply service second-to none:

- Vast stocks of standard products for immediate dispatch at both our Nottingham and Glasgow branches
- Free delivery on UK mainland orders over £200 in value
- Non-standard panels produced in-house to ensure quick turnaround
- Scheduled deliveries to coincide with your PPM
- Boxes labelled up to correspond to specific units/buildings
- Supply of filters and belts together ensures savings on both carriage costs and carbon footprint
- Option of fitting and waste disposal service if require
- Friendly, knowledgeable team - we love our customers!
